Personal Statement

I am a board certified Anesthesiologist since 1988. I have been a Medical Director and Chief of Anesthesiology of 2 Outpatient Surgery Centers since 1999. Since 2001 I also have been Founder and Medical Director of Elite Vein Specialists. This facility specializes in vascular ultrasound and minimally invasive treatments for varicose veins. My anesthesia caseload has been exclusively outpatient cosmetic patients since 1999. My other areas of current interest include medical malpractice case reviews, OR Safety, and Outpatient Anesthesia. In 2006, I was invited guest lecturer at the annual meeting of the American Society of Plastic Surgeons. The lecture was entitled “Operating Room Safety for Outpatient Anesthesia ”
